Each season, USA Hockey shall conduct state/affiliate and/or district playoffs and national championship tournaments and/or playoffs leading thereto in the Youth, Girls and High School Age Classifications. The Rules and Regulations governing eligibility and qualification for the state/affiliate and/or district and national championships are set forth in this Article IX of the USA Hockey Annual Guide. The USA Hockey Youth Council shall approve a USA Hockey State/Affiliate and/or District and National Championship Tournament Guidebook, which shall be published and available on the USA Hockey website on or before September 1 prior to the following year's state/affiliate and/or district and national championship tournaments. Except as set forth herein, to the extent of any contrary information in the USA Hockey Annual Guide, the State/Affiliate and/or District and National Championship Tournament Guidebook shall be the binding authority for the requirements, rules, regulations, operation and procedures of all USA Hockey state/affiliate and/or district and national championship tournaments. For regulations applicable to regional, invitational and national championships for the Junior and Adult classifications, please contact your appropriate registrar, the junior staff liaison, or the USA Hockey national office.

NOTE: Each reference to district and national championship tournaments shall refer to state/affiliate and/or district and national championship tournaments and/or playoffs leading thereto.

A. PLAYER AND TEAM REGISTRATION

All national tournament-bound teams and players must be registered with USA Hockey and must be a member in good standing of an affiliate association on or before December 31 of the playing season. Teams competing on natural ice have until January 20 to register. Player changes to the official team roster

for Youth Tier I and Tier II teams and Girls Tier I and Tier II national tournament-bound teams will not be accepted after December 31. For games to count in meeting the 20/10 (14/10 girls) rule, that team's official team roster registration form (1-T) must be certified by the appropriate district registrar or his/her designee prior to that game being played.

B. COACHING EDUCATION REQUIREMENTS

All coaches must have current USA Hockey certification and the corresponding online age-specific module to participate in the state/affiliate and/or district and national championships. All coaches are expected and required to follow all USA Hockey rules, including the helmet rule, during all pre-tournament and tournament events. If a coach is found non-compliant with the helmet rule during any pre-tournament or tournament event(s), it will result in a Discipline Committee hearing with a minimum 30-day suspension from all activities involving USA Hockey registered programs. The Discipline Committee will refer the non-compliance back to the appropriate Affiliate to implement the suspension. Pre-tournament refers to any on-ice sessions, practices, or scrimmages that a coach participates in at any tournament venue or in the tournament city up to 2-days prior to the start of the state/affiliate and/or district and national championships (i.e. Tuesday or Wednesday prior to the tournament).

C. TEAM CLASSIFICATIONS

Youth/Girls

Within each Youth and Girls classification, the state/affiliate and/or district and national championships shall be at the Tier I and Tier II levels with eligibility to participate as follows:

Tier I: Any youth or girls team that is properly registered with USA Hockey as a Tier I national championship bound team.

Tier II: Any youth or girls team that is certified Tier II by an affiliate organization which has jurisdiction over the team. Tier II certification will be based on criteria set up by the affiliate and approved by the Youth Council.

If the affiliate rules permit a certified Tier II team to participate in the affiliate's Tier I district playoffs and a certified Tier II team elects to participate in that affiliate's Tier I district playoffs, then that certified Tier II team shall be ineligible to participate in the Tier II national championships.

High School Divisions

Any high school team that is properly registered with USA Hockey as a High School national championship bound team in one of the four divisions (Division I, Division II, Prep School Division, or Girls Division). Representation from each state will be determined by the state affiliate participating in the tournament.

For districts only, these rules and regulations may be modified for local and state association competition and districts that are composed of a single state, as conditions may require.

Player eligibility regulations may not be less restrictive than those governing national championships.

D. TOURNAMENT ELIGIBILITY AND REGISTRATION

- (1) Players and registered team members properly classified shall be eligible to participate in state/affiliate and/or district and national tournaments see:

 - (c) For games to count in meeting the 20/10 (14/10 girls, 10/5 all high school divisions) rule, that team's player roster form (1-T) must be certified by the appropriate registrar or his/her designee prior to that game being played. Teams formed and certified prior to the September 1 season start may have games played in August counted toward fulfilling the 20/10 (14/10 girls, 10/5 all high school divisions) requirement, with approval of the district registrar. Player changes to the official team roster for youth and girls Tier I and Tier II teams will not be accepted after December 31 (February 15 for all High School divisions). Any question regarding eligibility of game count in the girls program would be resolved by a committee composed of the appropriate registrar, the appropriate district Girls Council Representative and the Girls Council Chair. If the issue cannot be resolved, the team may appeal to the National Championships Appeals Committee.
 - (d) A game is a match played against another team which is registered with a member organization of the IIHF of the same competitive level and officiated by registered officials. A game shall consist of at least three (3) periods (or the equivalent, see paragraph R. Time of Periods below), except where the game is interrupted, (by some unforeseen event) after two (2) periods have been completed. High School division games played against school sanctioned teams and USA Hockey high school teams shall count as games toward the 10/5 rule.
- (7) **Ineligible Coach(s)/Player(s):** Any coach of a team that knowingly plays an ineligible player(s) shall be suspended from coaching in any games that lead to a state/affiliate and/or district or national championship in the current hockey season.

- (b) Refer to the formats for tournaments set forth in Appendix 1 for information on home team designations in any quarterfinal and semifinal game.

(c) Youth, Girls and High School Divisions – Tie-Breaking Rules to Determine Standings Position

If two or more teams have an equal number of points, their position in the standings shall be determined by the following tie-breaking rules listed below. If at any point during the application of the tie-breaking rules, any or all of the teams can be seeded higher or lower than the other teams, the seeded teams will be placed in their position in the standings and the tie-breaking process will begin at Step 1 for any teams that remain tied.

NOTE: *If all tied teams have not played each other, the tie-breaking process will begin at Step 2.*

The tie-breaker rules are as follows:

1. **Step 1:** The results of only the head-to-head games played between the tied teams in the following order:
 - a. Most points earned.
 - b. Most total wins (whether in regulation, overtime and shootout).
 - c. Most regulation wins.
 - d. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus. A maximum goal differential of plus or minus eight (8) per game will be used in tie-breaking rules.
 - e. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in a given game prior to dividing (i.e. 10-1 game would use 9-1 for purposes of quotient). A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero (0). Where two or more teams have no goals against and the quotient tie-breaker is required, the teams shall be ranked high to low in descending order of “goals for.”

- f. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.
2. If all tied teams have not played each other, the tie-breaking process begins at Step 2. For teams that began the tie-breaking process in Step 1, if after applying the formulas of 1 a, b, c, d, e or f the tie still exists, continue to Step 2.

Step 2: The results of all the games played by the teams tied in the following order.

- a. Most total wins (whether in regulation, overtime and shootout).
- b. Most regulations wins.
- c. Differential — Subtracting goals against from goals for in these games, the positions being determined in order of the greatest surplus. A maximum goal differential of plus or minus eight (8) per game will be used in tie-breaking rules.
- d. Quotient — Dividing the goals for by the goals against in these games, the positions being determined in order of the greatest quotient. If a game has a goal differential of more than eight (8) goals, the goals for will be decreased until there is a maximum of eight (8) more than goals against in a given game prior to dividing (i.e. 10-1 game would use 9-1 for purposes of quotient). A quotient involving dividing by zero (0) has higher standing than a quotient from dividing by any number other than zero. Where two or more teams have no goals against and the quotient tie-breaker is required, the teams shall be ranked high to low in descending order of “goals for.”
- e. Most periods won — In the games played by each tied team, points will be awarded for each regulation period won (2 points) and for each regulation period tied (1 point). Positions shall be in the order of highest point total.

- f. Lowest number of penalty minutes — Calculate the number of penalty minutes accrued during all preliminary round games. The teams shall be ranked low to high in ascending order of “penalty minutes for.”
 - g. Quickest first goal — The team that scored the quickest goal in their preliminary round games shall be ranked highest.
3. If the above procedure does not break the tie, the teams shall use a shootout procedure as previously described.

NOTE 1: A team may go into the tie-breaking process having defeated another of the tied teams and still not advance.

NOTE 2: If a team forfeits any of its games, and becomes involved in any tie-breaking formula, the team that forfeited will not advance and all games played against the forfeiting team shall be recorded as 1-0 victories for all opposing teams.

**See Appendix 4 for tie-breaking scenarios.*

- (11) The National Championship Appeal Committee shall be the sole authority in determining the eligibility of the individual(s) for National Championship Tournaments.

- (12) The National Championship Appeal Committee shall review all match penalty incidents assessed under USA Hockey Rule 601(e)(3) during all Youth, Girls, and High School national championships. The National Championship Appeal Committee shall determine the resulting suspension and eligibility of any player or coach and any discipline that may extend beyond the applicable tournament shall be referred to the applicable Affiliate.
- (13) All suspensions incurred in the course of the national playdown schedule (i.e., in State/Affiliate and/or district playoffs) shall be served beginning with the next regularly scheduled game of the championship playoff schedule. In no case, may such suspension(s) be served in a game occurring outside the championship playoff schedule, by scheduling a game not included in the national playdown configuration and having the player sit out that game.
- (14) State/Affiliate and/or district and National Discipline Committee authority, and the National Championship Appeal Committee's authority shall be solely to determine eligibility to participate in the applicable tournament, and any discipline that may extend beyond the applicable State/Affiliate and/or District or National Championship shall be referred to the applicable Affiliate.

- (6) The on-site Tournament Committee shall have the authority to exclude and/or limit the presence at or the use of any artificial noise-making devices, except for those required to control the play of the game.

APPENDIX 1

INJURY/CONCUSSION RETURN TO PLAY POLICY

Each host site is required by USA Hockey to have medical personnel on site during the entire State/Affiliate and/or District and National Championship Tournaments. The on-site medical staff may consist of a combination of Doctors, Nurses, EMTs or Certified Athletic Trainers.

The on-site medical staff will have the over-riding authority to determine if a player's injury warrants removal from the game and/or referral to the local medical facility. If a player is referred to the local medical facility, and intends to return to play, the player must provide the on-site medical staff with a written release from the doctor who examined him/her and determined that the player was able to return to play.

No coach, team doctor, team trainer, parent or guardian may take responsibility for the player returning to the ice without the approval of the Tournament host's on-site medical staff. There will be no exceptions, even if a player's parents happen to be a doctor or other medical professional. Only the on-site medical staff can approve the players return to the ice.

See Host Handbook for applicable SafeSport Training and Background Screening requirements for medical personnel. Any medical treatment shall comply with USA Hockey's SafeSport requirements for one-on-one interactions.

* * *

This is the minimum standard to be followed for return to play following an injury/concussion. If state laws require higher standards of care then those state laws shall be followed.

C	2	0	1	0	6	1
D	2	0	1	0	6	1

The tie-breaking rules are as follows:

- The results of only the head-to-head games played between the tied teams in the following order:

Day 1

C	D
5	3

Day 2

B	C

C	1	0	1	0	3	7	7	0	1
D	1	0	1	0	3	11	8	+3	1

- Most points earned.**

All three teams (B, C and D) are tied with 3 points each.

- b. **Most total wins (whether in regulation, overtime or shootout).**

All three teams are tied with 1 each.

- c. **Most regulation wins.**

All three teams are tied with 1 each.

- d. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**

D differential: +3

C differential: 0

B differential: -3

The differential places Team B in third place with a goal differential of -3, Team C in second place with a goal differential of 0 and Team D in first place with a goal differential of +3.

Therefore, final standings for this scenario are:

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	POSITION

All three teams are tied with 1 each.

d. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**

C differential: +1

D differential: +1

B differential: -2

The differential places Team B in third place with a goal differential of -2 while Teams C and D remain tied with differentials of +1. We can now determine the position of Team B is third place.

If at any point during the application of the tie-breaking rules, any or all of the teams can be seeded higher or lower than the other teams, the seeded teams will be placed in their position in the standings and the tie-breaking process will begin again at Step 1 for any teams that remain tied.

The standings for this scenario so far are:

A	0	0	3	0	0	4
B	2	0	1	0	6	3
C	2	0	1	0	6	1

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
A									4
B									3
C	1	0	0	0	3	4	0	+4	1
D	0	0	1	0	0	2	0	+2	1

a. **Most points earned.**

Team C earned 3 points and Team D earned 0 points in their head-to-head game. We can now determine that Team C is first place and Team D is second place.

Therefore, the final standings for this scenario are:

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	POSITION
C	2	0	1	0	6	1
D	2	0	1	0	6	2
B	2	0	1	0	6	3
A	0	0	3	0	0	4

SCENARIO #3

In the following scenario, there is a 3-way tie for first place and all three teams have played against each other.

Day 1

A	B
2	4
C	D
4	3

Day 2

B	C
4	2
D	A
5	1

Day 3

B	D

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	POSITION
A	0	0	3	0	0	4
B	2	0	1	0	6	1
C	2	0	1	0	6	1
D	2	0	1	0	6	1

The tie-breaking rules are as follows:

- The results of only the head-to-head games played between the tied teams in the following order:

Day 1

C	D
4	3

Day 2

B	C
4	2

Day 3

B	D
3	6

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
A									4
B	1	0	1	0	3	7	8	-1	1
C	1	0	1	0	3	6	7	-1	1
D	1	0	1	0	3	9	7	+2	1

- Most points earned.**

All three teams (B, C and D) are tied with 3 points each.

- Most total wins (whether in regulation, overtime or shootout).**

All three teams are tied with 1 each.

c. **Most regulation wins.**

All three teams are tied with 1 each.

d. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**

D differential: +2

B differential: -1

C differential: -1

The differential places Team D in first place with a goal differential of +2 while Teams B and C remain tied with differentials of -1. We can now determine the position of Team D is first place.

If at any point during the application of the tie-breaking rules, any or all of the teams can be seeded higher or lower than the other teams, the seeded teams will be placed in their position in the standings and the tie-breaking process will begin again at Step 1 for any teams that remain tied.

The standings for this scenario so far are:

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	POSITION
A	0	0	3	0	0	4
B	2	0	1	0	6	2
C	2	0	1	0	6	2
D	2	0	1	0	6	1

And we begin again at Step 1 to break the remaining tie between Teams B and C.

1. The results of only the head-to-head games played between the tied teams in the following order:

Day 2

B	C
4	2

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
A									4
B	1	0	0	0	3	4	2	+2	2
C	0	0	1	0	0	2	4	-2	2
D									1

a. **Most points earned.**

Team B earned 3 points and Team C earned 0 points in their head-to-head game. We can now determine that Team B is second place and Team C is third place.

Therefore, the final standings for this scenario are:

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	POSITION
D	2	0	1	0	6	1
B	2	0	1	0	6	2
C	2	0	1	0	6	3
A	0	0	3	0	0	4

SCENARIO #4

In the following scenario, there is a 2-way tie for first place and a 3-way tie for third place. Four teams need to be placed into the quarterfinal bracket.

A	D
7	0
B	E
0	3
C	F
9	0

E	A
2	4
D	C
0	5
F	B
0	6

A	F
8	4
C	E
4	1
B	D

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
A	3	0	0	0	9	19	6	+13	1
B	1	0	2	0	3	8	6	+2	3
C	3	0	0	0	9	17	1	+16	1
D	1	0	2	0	3	3	14	-11	3
E	1	0	2	0	3	6	8	-2	3
F	0	0	3	0	0	4	22	-18	6

First, we need to break the tie for first place between Teams A and C. Because the two teams did not play each other head-to-head, the tie-breaking process will begin with Step 2.

2. If after applying the formulas of 1 a, b, c, d, e and f the tie still exists, the results of all the games played by the teams tied in the following order.
 - a. **Most total wins (whether in regulation, overtime or shootout).**
Both teams are tied at 3 wins.
 - b. **Most regulation wins.**
Both teams have 3 regulation wins.
 - c. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**

C differential: +17

A differential: +13

The differential places Team C in first place with a goal differential of +17 and Team A in second place with a goal differential of +13.

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
A	3	0	0	0	9	19	6	+13	2
B	1	0	2	0	3	8	6	+2	3
C	3	0	0	0	9	18	1	+17	1

E	1	0	2	0	3	6	8	-2	3
F	0	0	3	0	0	4	23	-19	6

Next, we need to break the tie for third place between Teams B, D and E. Because the three teams did not all play each other, the tie-breaking process will again begin with Step 2.

2. If after applying the formulas of 1 a, b, c, d, e and f the tie still exists, the results of all the games played by the teams tied in the following order.

a. **Most total wins (whether in regulation, overtime or shootout).**

All three teams are tied with 1 win.

b. **Most regulation wins.**

All three teams are tied with 1 regulation win.

c. **Differential – subtracting goals against from the goals for in these games, the positions being determined in order of the greatest surplus.**

B differential: +2

D differential: -11

E differential: -2

The differential places Team B in third place with a goal differential of +2, Team E in fourth place with a goal differential of -2 and Team D in fifth place with a goal differential of -11.

POOL	REG. WIN	OT/SO WIN	REG. LOSS	OT/SO LOSS	POINTS	GOALS FOR	GOALS AGNST	NET +/-	POS.
C	3	0	0	0	9	18	1	+17	1
A	3	0	0	0	9	19	6	+13	2
